

# Terms and Conditions of Use ADAMAPP Websites and Services

These terms and conditions apply to use ADAMAPP websites, applications and services; by using ADAMAPP services you agree to these conditions in their entirety. In case you do not agree to these conditions or any part hereof you are not allowed to use this ADAMAPP service and application.

## License to use websites and services

- If not stipulated otherwise, ADAMAPP is the owner of intellectual property rights to this website, application and material in this web. Subject to license reservation below, all intellectual property rights are reserved.

## You are not allowed to:

- sale, lease or sub-license the material from these websites;
- reproduce, duplicate, copy or otherwise use materials from these websites for commercial purposes;
- adapt or otherwise modify any material from these websites;
- use these websites in any way that causes or may cause damage to the websites, aggravation of availability or accessibility of the websites or in any way which is illegal, unlawful, fraudulent or harmful or in connection with any illegal, unlawful, fraudulent or harmful activity;
- use these websites for copying, storing, hosting, transfer, sending, use or distribution of any material containing or being connected with any spyware, computer virus, Trojan horse, worm, keylogger, rootkit or other malicious software;
- decompile or use reverse engineering or otherwise read the code of ADAMAPP service;
- perform any systematic activities or automated data collection (including automatic download) which burdens ADAMAPP systems more than common user application of ADAMAPP websites and services without an explicit written consent of ADAMAPP;
- use these ADAMAPP websites and services for any marketing purpose without an explicit written consent of ADAMAPP;
- publish a content which is illegal or unlawful, infringes any rights of third parties and might give rise to legal actions, be it against you or ADAMAPP or third parties (in any case in compliance with applicable law).

## User Content

- For the purposes of these Terms and Conditions under “User content” is to be understood the material (containing without limitation text, pictures, audio, video and audio-visual material), which you will send to these websites or into the ADAMAPP service, for any purpose.
- ADAMAPP reserves the right to modify or remove any material loaded on ADAMAPP servers or published on these websites or through the ADAMAPP service.
- Regardless of the ADAMAPP rights in relation to the user content in accordance with these terms and conditions, ADAMAPP shall not be obliged to monitor loading or publishing of such content on the ADAMAPP websites or service.

## Guarantees

- These ADAMAPP websites and service are provided “as they are”, without any declaration or guarantee, expressed or assumed. ADAMAPP does not make any declaration or guarantee in relation to these ADAMAPP websites and services or to information and material provided on these ADAMAPP websites and service.
- Without prejudice to universality of the above paragraph ADAMAPP does not guarantee that these ADAMAPP websites and services shall be permanently available or available in general.

#### Disclaimer

The creator ADAMAPP shall not bear any responsibility in relation to the content, its use or otherwise in connection with this website and service ADAMAPP:

- For any direct loss, to the extent as these internet sites have been provided free of charge;
- For any indirect, particular or consequent losses;
- In case of any business losses, loss of profits, incomes or anticipated savings, loss of business relations, loss of good name or goodwill or loss or damage of information or data.
- This disclaimer shall apply even in case that ADAMAPP company was expressly notified of potential losses.

#### Adequacy

- By using these websites you agree that the disclaimer stipulated in these conditions of use are adequate.
- If you do not find them adequate, you are not allowed to use these websites.

#### Indemnity

- You are hereby obliged to pay indemnity to ADAMAPP for any loss, damage, costs, obligations and expenses (without limitation of the costs for a proxy and other amounts paid by ADAMAPP to third parties due to settlement of complaints or disputes, in connection with legal services), arisen or following from breach of any provision of these terms and conditions of use or following from any assertion that you have breached these terms and conditions of use.

#### Breach of these Terms and Conditions

- Regardless of other rights of ADAMAPP within these term and conditions of use, in case you breach these terms and conditions in any way, ADAMAPP shall be entitled to take such measures which he finds convenient for solution in connection with breach of these terms and conditions of use, including suspension of your access to ADAMAPP service, prevention of access to websites, blocking of access from your IP address, contacting your internet service provider with the request to lock-up your access to these websites and/or initiate legal proceedings against you.

#### Modification of Terms and Conditions of Use

- ADAMAPP may revise and modify these terms and conditions anytime. Revised terms and conditions shall be effective from the moment of their publication on these websites. Please check these websites regularly in order to get acquainted with update version of the terms and conditions of use.

#### Severability

- In case any provision of these terms and conditions of use is designated as unlawful or unenforceable by court or other relevant authority, the remaining provisions shall remain in force. In case a court or other relevant authority decides that certain provisions of these terms and conditions are to be deleted, such provisions shall be regarded as invalid until their deletion; the remaining terms and conditions of use shall continue to be in force.

## Complete agreement

- These terms and conditions represent a complete agreement between you and ADAMAPP LTD. in connection with using these websites, ADAMAPP applications and services and replace any previous agreements, as regards using these ADAMAPP websites and services.
